

What does just £100 in sponsorship buy you these days, not very much, usually a single advert for 1 day!

But in the case of Mayobridge Golf Club it gets you a whole year of advertising exposure plus the benefit of a plastic sponsor's card entitling you to 10% discount on food and drink in the clubhouse and our renowned 'The Oak Tree Restaurant'.

Here's a list of the main benefits of sponsorship.

- 1: You will receive a **Sponsors 10% Card**, this will give you 10% off you food or bar bill in our clubhouse and 'The Oak Tree Restaurant' renowned for great food.
- 2: All sponsors company details go on our website [www.MayobridgeGolf.com](http://www.MayobridgeGolf.com) complete with a click through direct to your companies own site.
- 3: All sponsors are invited to give out the prizes for their respective event.
- 4: Our PRO will get you coverage in the Newry Reporter when your competition takes place during the year.
- 5: Your company details go on our full colour sponsor's board prominently sited beside the clubhouse main entrance door.
- 6: All sponsors get a free advert in the member's diaries that every member receives free.
- 7: We have a business card holder in the lobby of the clubhouse where visitors can pick up one of your business cards.

All the above for just £100 . If you want to become a sponsor simply give us your details with your payment and we will take care of everything else.

Yours Faithfully
