Foreword by our 2018 Mayobridge Golf Club Captain Gerald McCarthy

When I joined the Club in May 2006, A very pleasant 45th birthday present from my good lady wife Ann, I never thought that I would have the honour to be invited to serve as captain. I therefore feel very humbled to have been given the chance to undertake the role for the incoming year. I would like to thank our immediate past Captain Ronan Campbell for nominating me and affording me the privilege to accept this position. I hope I can carry on the superb work and example that Ronan showed during his captaincy.

I would like to extend a warm welcome to all our senior men, lady and juvenile members both those who are returning and those who have joined for the first time. I am also looking forward to meeting the various guests and visiting teams we may host over my tenure.

I am sure I will have to call on the services of my committee members throughout the year for guidance and advice and I would like to thank them for the tremendous work they do year on year.

I look forward to representing and promoting the Club to the best of my ability during my year in office. I would encourage members to put themselves forward to represent the Club in the various Gui and Cowdy Competitions we have entered. Last year we were unfortunate to find ourselves on the wrong side of some very close encounters on a number of occasions but buoyed by these experiences I have every confidence that we are very capable of achieving much more success in the future.

Mayobridge Golf Club has a great reputation locally as being a friendly Club and a pleasant place to be a member. I will encourage any efforts to enhance and improve all aspects of the Club to make it an even more enjoyable experience for all.

I propose to hold a one day Charity Open on Saturday the 4th August. I have chosen the Macmillan Cancer Support Charity as the beneficiary of all proceeds raised on the day. Hopefully as many members as possible will turnout to support this and any other Charity incentives that are held throughout the year.

On behalf of the committee and members I would like to sincerely thank all our sponsors for their continued support, we are as always deeply indebted to the Fegan Family for building and maintaining this great facility which we all continue to enjoy.

Finally on behalf of myself and Vice-captain Joseph Boyd I would like to wish all members every success and enjoyment for the New Season.
"May the course be with you"

Gerald McCarthy

Club Match-Play Championship and Club Match-Play Shield information.

Individual rounds must be completed by the dates shown on the draw sheets which will be posted in the Clubhouse. It is the responsibility of both players jointly to arrange and complete any match by the due date payable. If on the final due date payable of any stipulated round, in any match-play competition, a competitor makes himself available to play by presenting himself at 2p.m. at the Pro Shop and his opponent fails to appear, the available player will progress to the next round as his opponent will be deemed to have forfeited the match. If neither player makes himself available at the stipulated time of 2p.m. On the final due date of the competition then both players are disqualified from that competition. All members are eligible to play in both the match-play championship and match-play shield competitions. The competition committee's decision on any matters relating to these competitions will be final. 90% handicap allowance.

The overall winners of either of the matchplay competitions are eligible for entry into the Champion of Champions. Competitors may not play concurrently in match-play and either a medal or stableford competition. Failure to observe this rule will result in disqualification from both competitions. The Match-play championship winner and the match-play shield winner will play-off for the right to hold the "Braggers Trophy".

Slow Play - Golfers can play as slow as they like, just don't make everyone else on the course play at your speed. As soon as you start holding up the group behind, move over and let them through.

The Committee Supports Ready Golf - It does speed up play - Try it in your group

The term 'Ready Golf' has been adopted by many as a catch-all phrase for a number of actions that separately and collectively can improve pace of play. There is no official definition of the term, but examples of 'Ready Golf' in action are:

- Hitting a shot when safe to do so if a player farther away faces a challenging shot and taking time to assess their options;
- Shorter hitters playing first from the tee or fairway if longer hitters have to wait;
- Hitting a tee shot if the person with the honour is delayed in being ready to play;
- Hitting a shot before helping someone to look for a lost ball;
- Putting out even if it means standing close to someone else's line;
- Hitting a shot if a person who has just played from a greenside bunker is still farthest from the hole but is delayed due to raking the bunker;
- When a player's ball has gone over the back of a green, any player closer to the hole but chipping from the front of the green should play while the other player is having to walk to their ball and assess their shot;
- Marking scores upon immediate arrival at the next tee, except that the first player to tee off marks their card immediately after teeing off.
