A WORD FROM OUR 2024 CAPTAIN

Members, it's an honour to be your captain in 2024 and I would like to set out my plans for the year. My chosen Charity will be Chest, Heart & Stroke, unfortunately one in three of us will succumb to one of these in our lifetime. This Charity is NI based so all monies raised stay local. I would ask for your support when possible, this will be run in conjunction with our new President Harry's affiliation and continued support of Pretty 'n' Pink Breast Cancer Charity. The course has seen great progress in recent years in overall condition of fairways and greens, this is down to two men, Derek & Harry and should be appreciated by all members. My goal this year will be to get all the Tee Boxes level and do as much Drainage work as possible. I believe this can be achieved by the participation of members helping. A little help now and again would be very much appreciated.

My signature to the course will be the building of three bridges on the 7th, 9th and 10th fairways. This work has already been taken on by members promising to give their time and labour towards this project. Lastly, I would encourage all members both new and old to play competitions run by the club, not only does this help the club but it is great for camaraderie with other members. We are lucky to have such a fine Clubhouse and Restaurant, I would encourage all members to make use of it. The hospitality industry has had it rough so please support your clubhouse when it comes to family meals and functions or just drop in for a coffee after your round. Youth is the future of our Club and I hope to set up a decent summer scheme with lessons, competitions and prizes for our Junior Members. We must make them feel a valued and important part of our club.

Again it's a privilege to serve as your Captain in 2024 and I look forward to a healthy sporting and successful year for one and all.

Yours Sincerely
Robert Gracey
