### A WORD FROM OUR 2025 CAPTAIN

Dear Members,  
I hope this message finds you well. It is both an honour and a privilege to represent you all as your Captain for 2025. It is also a responsibility to ensure that I reflect the core values that make Mayobridge Golf Club so special. That is to say that we continue to nurture a friendly, welcoming and positive environment for everyone to enjoy the game of golf just as Joe Fegan envisaged it when he opened the course in 1955.

At the heart of our club is a strong culture of respect, camaraderie, and sportsmanship. Whether you are a seasoned player or new to the game, these values define how we interact with one another and enjoy the game. I encourage all members to continue upholding these principles both on and off the course.

We all play a part in shaping the atmosphere here, and we are fortunate to have a vibrant calendar of events that cater to all types of players. From friendly social gatherings, weekly competitions, our 4 majors and competitive interclub competitions, there truly is something for everyone. I urge you to take full advantage of these opportunities to not only improve your game but also to connect with fellow members. It is through these events that we not only strengthen friendships and build lasting memories, but the entry fees are what allows our club to operate. The greater that participation the more we can continue to invest and improve the facilities for all our members.

One of the most important initiatives I want to focus on is continuing to develop our junior and youth section which Bobby did a great job getting off the ground last year. The future of our game lies with young players, so it is vital that we create an environment where they feel supported and inspired to grow both their skills and their love for the game. Whether you are a parent, grandparent, or simply someone passionate about golf, I encourage you to get involved with our youth programs. This can be through mentorship, offering advice, or simply supporting our junior competitions. By nurturing the next generation of golfers, we will be strengthening our club for the future and ensuring its longevity.

We are also fortunate to play on a course that is constantly evolving. Thanks to the hard work of our greenskeeping team of Harry and Derek, and the contributions of our members, the course continues to improve year after year. To keep up momentum I have set up a Course Improvement committee, which both Derek and Harry will be core members, to look at the opportunities to continue to develop and enhance the course. We will then prioritise this work and build out our development plan for the future. The work will be costed and scheduled for completion and we will report to members in the coming months to fully update you on that plan. We are always open to suggestions on how we can make our facilities even better, so please do not hesitate to share any thoughts and ideas directly with me. Your feedback is invaluable.

One of the things that truly sets MGC apart is our commitment to charity and supporting local causes. My chosen charity for 2025 is Air Ambulance Northern Ireland. In the coming months, we will continue to organize initiatives that allow us to give back to the community. Your participation and support in these events make a real difference, and I encourage everyone to get involved, whether it is through donations, volunteering, or simply spreading the word. I am always inspired by your generosity and spirit shown during charity events and I look forward to that continuing.

Ultimately, it is the friendships we form here that make our club so special. It is not just about the game of golf, but the relationships we build with one another. Whether it is sharing a round with friends, enjoying a drink or a bite to eat at our fantastic clubhouse, or supporting one another in competition, it is this sense of belonging and mutual respect that truly defines our club.

I look forward to seeing you on the course, at our events, and around the club. Together, we will continue to create a space where everyone feels welcome and valued. Best of luck for 2025, may your drives be straight, your putts be true, and your scores be low!

Best regards,  
*Stephen Lavery*
